

NSA Eastern Region Rugby Ram Show & Sale

Ram sale by-laws 2026

1. The sale will be held at Rugby Farmers Mart on Friday 28th August 2026.
2. Entries and entry fees for rams intended for the sale must be lodged with NSA by 2pm on **Friday 7th August**. Entries are via www.nationalsheep.org.uk/bookings-and-payments or, for people without internet access, via NSA Head Office on 01684 892661.
3. The entry fee is £12.50 + VAT per ram. Please note the previous £5 refund on the sale of a ram will no longer apply. Instead, this amount will now contribute towards the cost of a veterinary inspection. £12.50 per ram must be paid to NSA at the time of entry and is non-refundable. Payments should not be made to Rugby Farmers Market.
4. Entries will only be accepted from NSA members. Entry can be made by a non-member if accompanied by a completed membership application form and payment, or that form and payment is received by the sale closing date. Go to www.nationalsheep.org.uk/membership to become a member or call NSA Head Office on 01684 892661. NSA will contact non-members who have entered the sale, to either arrange a membership subscription or reject the entry.
5. All rams must be in the hands of the vendor at the time of entry. They must be maedi visna-accredited. Vendors will be asked to mark a self-declaration of their MV status at point of entry and provide MV certificates for inspection on the day of the sale.
6. All information provided at the point of entry will be processed in line with the [NSA Privacy Policy](#). Your name, address, phone number and email address will be printed in the catalogue and shared with Rugby Farmers Market. If you do not wish this information to be printed in the catalogue, please notify NSA at the time you enter your rams.
7. The draw for the catalogue order will take place in the week beginning Monday 3rd August 2026. Rams will be catalogued in random order and not in breed blocks. New, or lapsed vendors for more than two years, will be drawn at the beginning or end of the ballot. A vendor cannot have a run of more than eight aged rams, eight shearling rams and eight ram lambs in any one breed in a run (i.e. eight shearlings and four lambs is permitted, but not nine shearlings); these vendors will have a second run at the end of the sale.
8. On the day of the sale, **vendors are responsible for sorting their own lot numbers**. Each lot must be in the sale collecting pen, in the section allocated, as the preceding lot is sold. Vendors failing to comply will have their lots transferred to the end of the sale.
9. On the day of the sale, a shearling ram may be substituted with a ram lamb, etc, as long as the substitution does not take the total number of aged rams, shearlings or lambs sold to more than eight. If a substitution takes a vendor's total to more than eight, the vendor will have a second run at the end of the sale.
10. All rams must be penned by 12 noon on sale day for inspection and judging in pens. Sale to commence at approximately 3.00pm dependent on the preceding commercial ewe sale.
11. All rams will be sold subject to an inspection by a Veterinary Officer. Inspection is a condition of entry to the sale. **Compliance with this inspection shall in no way form a guarantee to the purchaser of the animals so inspected as, thought care is taken to inspect rams for defects, the final onus remains with the purchaser.** All rejected sheep must be removed from the sale pens;
