Marches Region**

**committee
evening lecture**

19th December 2018 @ 7.30pm

Stratford market, CV37 8LP

6.30 pm - Committee meeting

7.30 pm - Supper & speakers

The NSA Marches region is holding an evening talk by two 2017 Nuffield Scholars Geraint Powell and Lorna Davis on 'Sustainable grazing strategies that meet ecological demands', & 'Waters value in agriculture as a sustainable social, environmental and economic resource'.

Geraint Powell farms a in the Cotswolds, lambing 4200 New Zealand Romney Ewes and calving 65 Aberdeen Angus cows on a forage based system.

Lorna Davis has worked in the water industry for 8 years having grown up on a hill farm in Wales. She now starts work with NFU Cymru developing a farmer led approach to nutrient management across Wales.

Bar and Buffet supper provided - all welcome.

Please RSVP Lorna Davies NSA Marches Regional Secretary on lorna@nationalsheep.org.uk or 07720250108 for catering purposes.
