RAM SALE BYE LAWS AND NOTES TO PURCHASER AND VENDORS

1. **Selling will commence at 10 am in both rings**
2. All rams are sold subject to the usual Auctioneers' conditions and to the Ram Sale Bye Laws.
3. All rams must be penned between 6.00 am and 8.30 am on the morning of the Sale or between 2.00 pm and 5.00 pm the night before. NB: Gates are locked at 7.00 pm.
IMPORTANT: ALL SHEEP MUST BE IN THE MARKET BY 8.30 AM. OR THEY WILL BE EXCLUDED FROM THE SALE. THIS RULE IN VIEW OF LATE ARRIVALS IN THE PAST WILL BE STRICTLY ENFORCED.
4. Each lot of rams shall be sold in the ring fixed by the Committee and in order of the catalogue, and in that ring only the Auctioneer exposing such lot and the owner there shall be bound to see that the rule is carried out. Any party infringing this rule shall be liable to a penalty determined by the Committee, and for any loss or damage which may be sustained and furthermore the Committee are empowered to refuse further entries from any Vendor infringing this rule.
5. Each lot must be in the Sale pen to which it belongs as the last ram in the preceding lot shall have been disposed of. Any lots that may not be ready in the Sale pens when their turn for selling arrives will not be allowed to come forward until all other in that section have been disposed of.
6. Although help will be provided Vendors are wholly responsible for bringing their sheep to the Sale Ring and returning them to their correct pens.
7. All rams must be identified by their catalogue number by means of a clearly marked paint brand or by a neck tag – supplied by the auctioneers. Any ram not carrying its correct catalogue number will be refused entry to the Sale.
8. **UNSOLD RAMS MAY NOT BE RE-OFFERED FOR SALE THROUGH THE RING** apart from the unsold rams of the first two Vendors or first ten lots in each ring and they are to be re-offered at the end of that breed. If however, they are sold by private treaty after leaving the ring then the transaction must be booked through the auctioneers. The Committee will refuse entries for future sales from any Vendors infringing on this rule. The onus for responsibility for the stock remains with the Vendor at all times.
9. Your attention is drawn to the following:
"All rams will be subject to inspection by a panel appointed by the Committee in conjunction with the Breed Society, where applicable."
Faults which will exclude are:
 - (a) All Rigs, cudspillers, undershot and overshot jaws.

All rams rejected by the panel which are not removed from the Vendors sale pen 1 hour prior to the sale starting will be marked with a purple stripe down the back and will not be allowed to pass through the sale ring.
10. Complaints under 9 (a) **as above** must be notified to the Auctioneer within seven days. Complaints under 9 (b, c) **as above** must be notified within forty-eight hours. All complaints must be accompanied by a veterinary certificate.
11. All rams are warranted to be capable of or effective at natural service. If any such ram is proved to be incapable of or ineffective at natural service and written notice to that effect, supported by a veterinary surgeon's certificate in the terms hereinafter mentioned, is given by the Purchaser to the auctioneers by the 1st November 2021 then the Purchaser may return the ram to the Vendor, who shall, at the Purchasers option, replace the ram with another ram of equal value capable of and effective at natural service, or refund the purchase price of the animal. Save as aforesaid the Vendor shall be under no liability to the Purchaser. If a ram is proved to be incapable of or ineffective at natural service then the vet charges are to be met by the vendor and the cost of returning the ram to be paid by the Purchaser.
The veterinary surgeons certificate shall certify,

- a) That the ram's incapacity or effectiveness is not the result of injury, accident or illness happening after the time of the sale.
- b) That the Purchasers normal breeding stock have been found on examination to be in normal breeding condition; and
- c) That they are not responsible for ram's incapacity or effectiveness
- d) Rams to be tested using the artificial vagina method.

THE FINAL ONUS REMAINS WITH THE PURCHASER, even though every care is taken and the Association will do its utmost to check animals for defects.

N. B. The Purchaser shall have no rights to claim damages from the Vendor, in respect of an indirect or consequential loss such as (but not limited to) loss of profit or any other loss whatsoever.

- 12. An Auctioneers invoice will be handed to the Purchaser upon completion. This must be shown to the Vendor, on transfer of the sheep.
- 13. All Vendors shall be responsible for their sheep until 5.00 p.m. or 1 hour after the close of Sale if later, or until the sheep have been handed over to the Purchaser to the satisfaction of the Vendor. IF PURCHASERS HAVE NOT CLAIMED SHEEP BY 5.00 P.M. or 1 hour after, VENDORS MUST INFORM EITHER THE AUCTIONEERS CONCERNED OR THE N.S.A. OFFICIALS.
- 14. In the interest of the smooth running of the event, kindly observe instructions from N.S.A. Stewards and follow directional signs as appropriate.
- 15. MAEDI VISNA ACCREDITATION
Vendors of the sheep in the Maedi Visna Accreditation section are required to comply with the rules set out by the S.A.C.
 - a) All sheep must be accompanied with a current S.A.C. certificate of M.V. Accreditation.
 - b) No sheep will be accepted in the M.V. section without one of these forms.
 - c) Care must be taken by the Vendor and Purchaser not to infringe the M. V. rules and regulations. Whilst every care will be taken by the Ram Sale Committee and the Auctioneers, they cannot take responsibility for any infringement, carelessness or consequences there from.
