For your chance to WIN!

NSA is excited to team up with leading agricultural handling and feeding equipment manufacturer Ritchie to give away four portable sheep races each worth more than £1,000 this year. Join NSA today for your chance to be the winner of one of these fantastic prizes, as well as receiving the many other benefits NSA membership can offer you.

Already a member? Don't worry, our existing members can still benefit from this useful prize giveaway! While new members are automatically entered into the Ritchie prize draw, existing members can also be in with a chance of winning every time they recommend a friend, neighbour or family member to sign up as an NSA member. There is no limit to how many recommendations you make so get spreading the word of NSA's fantastic work to increase your chances of winning!

Why be an NSA member? NSA membership offers sheep producers throughout the UK and even further afield a voice at this important time. NSA delivers a wealth of information to members through publications such as 'The Sheep Farmer' magazine, online and at events throughout the year. Your voice matters. With the interests of sheep farmers at the heart of everything NSA does, your membership goes a long way in providing this organisation with a stronger mandate to represent the interest of sheep farmers and the sheep industry to governments throughout the UK, while helping NSA fund its activity at every level.
