1. Selling will commence at 2 pm approx. At the conclusion of the breeding ewe and store sale.
2. All rams are sold subject to the National Auctioneers Conditions and the Ram Sale By-Laws.
3. All rams to be penned by 12 noon for inspection and judging in pens. There will be **a minimum bid of 200 gns.**
4. It is the responsibility of vendors to take their rams, in catalogue order, to the collecting pen in good time prior to entry to the sale ring.
5. Rams must be identified by means of a clearly marked paint brand lot number or request to be supplied with lot numbers at the Market.
6. No rams shall be sold on the premises by private treaty other than those which have been offered for sale in the ring first. All rams sold by private treaty after leaving the ring **must not** be below the upset price and **must** be booked through the Auctioneer and the appropriate commission paid.
7. All rams will be sold subject to an inspection by the NSA. The inspectors will consider the following:-
 1. That the animal's identification is as required by legislation.
 2. The animal is not suffering from any infectious or contagious disease.
 3. All rams must have two adequately sized testicles of approximately the same size and normal consistency.
 4. That the animal is of a quality commensurate with the level set by the Ram Sale Committee and is of adequate weight for the age and shows no malformation in structure.

5. The teeth of the animal are in the correct position.
6. There is no abnormal deviation in the structure of feet and/or legs.

Inspection is a condition of entry of the NSA and compliance with this inspection shall in no way form a guarantee to the purchaser of the animals so inspected.

8. **Vendors should note that any entries which on inspection are found showing lesions suggestive of Caseous Lymphadenitis (CLA) will not be allowed forward for sale and must be removed from the pens immediately**
9. THOUGH CARE IS TAKEN TO INSPECT EVERY RAM FOR DEFECTS, THE FINAL ONUS REMAINS WITH THE PURCHASER.
10. All rejected sheep must be removed from the sale pens. They cannot pass through the sale ring.
11. Complaints must be notified to the Auctioneers within 1 hour of the end of the sale or before removal from the market, whichever is the sooner. The purchaser shall have no rights to claim damages from the vendor in respect of indirect or consequential loss such as loss of profit or any other loss whatsoever.
12. An Auctioneers Slip shall be handed to the purchaser upon completion and also pass out slips for sheep not sold - these must be retained carefully for inspection by Stewards until final departure from the ground.
13. Vendors and purchasers are reminded that all rams must be cleared from the market by 6.30pm
14. **Maedi Visna Accreditation** - Vendors of sheep are asked to comply strictly with the rules as set out by SAC Maedi Visna Scheme. **All sheep must be accompanied by official certificates of current official Maedi Visna status.** Care must be taken by Vendors and Purchasers not to infringe the Maedi Visna Rules and Regulations. Whilst every care will be taken by the Ram Sale Committee and the Auctioneers, they cannot take responsibility for any infringements, carelessness or consequences arising therefrom.

Vendors are advised not to unload any sheep at the Sale before obtaining clear instructions from the Sale Stewards. Kindly observe instructions from Stewards and follow direction signs as appropriate.
15. The Committee accepts no responsibility whatsoever for loss, injury or damage to any persons or their property.
