

Moredun is committed to effectively disseminating the latest research advances to both the farming, SQP and veterinary communities. Working in partnership with a number of industry bodies Moredun has arranged another series of meetings covering a variety of subjects to help you maximise the health and welfare of your livestock.

PERTH (Perthshire)

Cutting Costs by Controlling Disease in your Cattle & Sheep

Arnbathie Farm,
Perth
PH2 7PL
Thursday 20 October
10am-3.30pm

Join us for an on farm livestock health event by kind permission of Arnbathie Farms. Subjects to include: sustainable worm control, use of vaccine programmes in livestock systems, biosecurity, winter feeding the suckler cow and micronutrition for beef young stock with reference to forage analysis.

To be followed by lunch and an afternoon discussion session with an expert panel.

This event is free of charge but booking is essential.

RSVP by 14 October 2016 to Beth Wells:

T: 0131 445 5111

E: beth.wells@moredun.ac.uk
