

National Sheep Association

Planning a 'Zoom' or 'Houseparty' quiz with friends or family whilst we are all on lockdown? No farmers' quiz would be complete without a sheep round, so here you go.... Will you impress friends with your shepherding knowledge or leave them thinking that perhaps a new career is on the cards?

And if the kids are joining in, then why not let them have their own sheep farming round – perhaps they will even beat their parents?!

We will share the answers of the quiz @natsheep on facebook and Twitter next week.

Good Luck!

1. According to the Guinness World record, what is the oldest age recorded for a sheep to have lived to?
2. A sheep from New Zealand named 'Shrek' became famous in 2004. What was he famous for?
